20060109

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The examiner has initialed the 1449 I.D.S. submitted 11-09-05. The claims stand allowed; the reference cited deals with adjusting a capacitance for frequency tuning via cutting a transmission line layer... not for diminishing phase noise as is recited in the claims with regards the patterned layers being cut. The 1449 is attached.

Arnold M Kinhead
Primary Examiner
